President Medical Center

WEB DESIGN

This is a project to redesign the old site of President Medical Center's Website.

The screenshot shows the homepage of the President Medical Center website. At the top, there is a navigation bar with links for HOME, ABOUT US, FACILITIES, DOCTORS, EVENTS, and CONTACT. A red cross logo is in the top left corner. Below the navigation is a banner featuring three images: an exterior view of the clinic building, a group photo of staff and doctors, and an interior view of a reception desk. The main title "WELCOME TO PRESIDENT MEDICAL CENTER" is centered above a brief description of the clinic's purpose and operating hours. Social media icons for YouTube, Twitter, Instagram, and Facebook are at the bottom right.

The screenshot shows the "ABOUT US" page. It features a section titled "MOTTO:" with the text "We Cure as We Care". Below it is a "VISION" section stating "Creating quality, reliable and independent health services in every province in Indonesia." and a "MISSION" section with four numbered points. To the right is a large group photo of staff and doctors. At the bottom, there is a red banner with the word "STAFFS" and a small "..." icon. The footer includes a copyright notice and social media icons.

The screenshot shows the "DOCTORS" page. It displays profiles for four doctors: DR. HENI HANJAYANI (SKINCARE), DR. IRAWAN HARI NUGROHO (GENERAL PRACTITIONERS), DR. ADILA (GENERAL PRACTITIONERS), and DRG. AYUDATIA NURAZIZAH (DENTIST). Each profile includes a circular photo, the doctor's name, a quote, and social media links for YouTube, Twitter, Instagram, and Facebook.

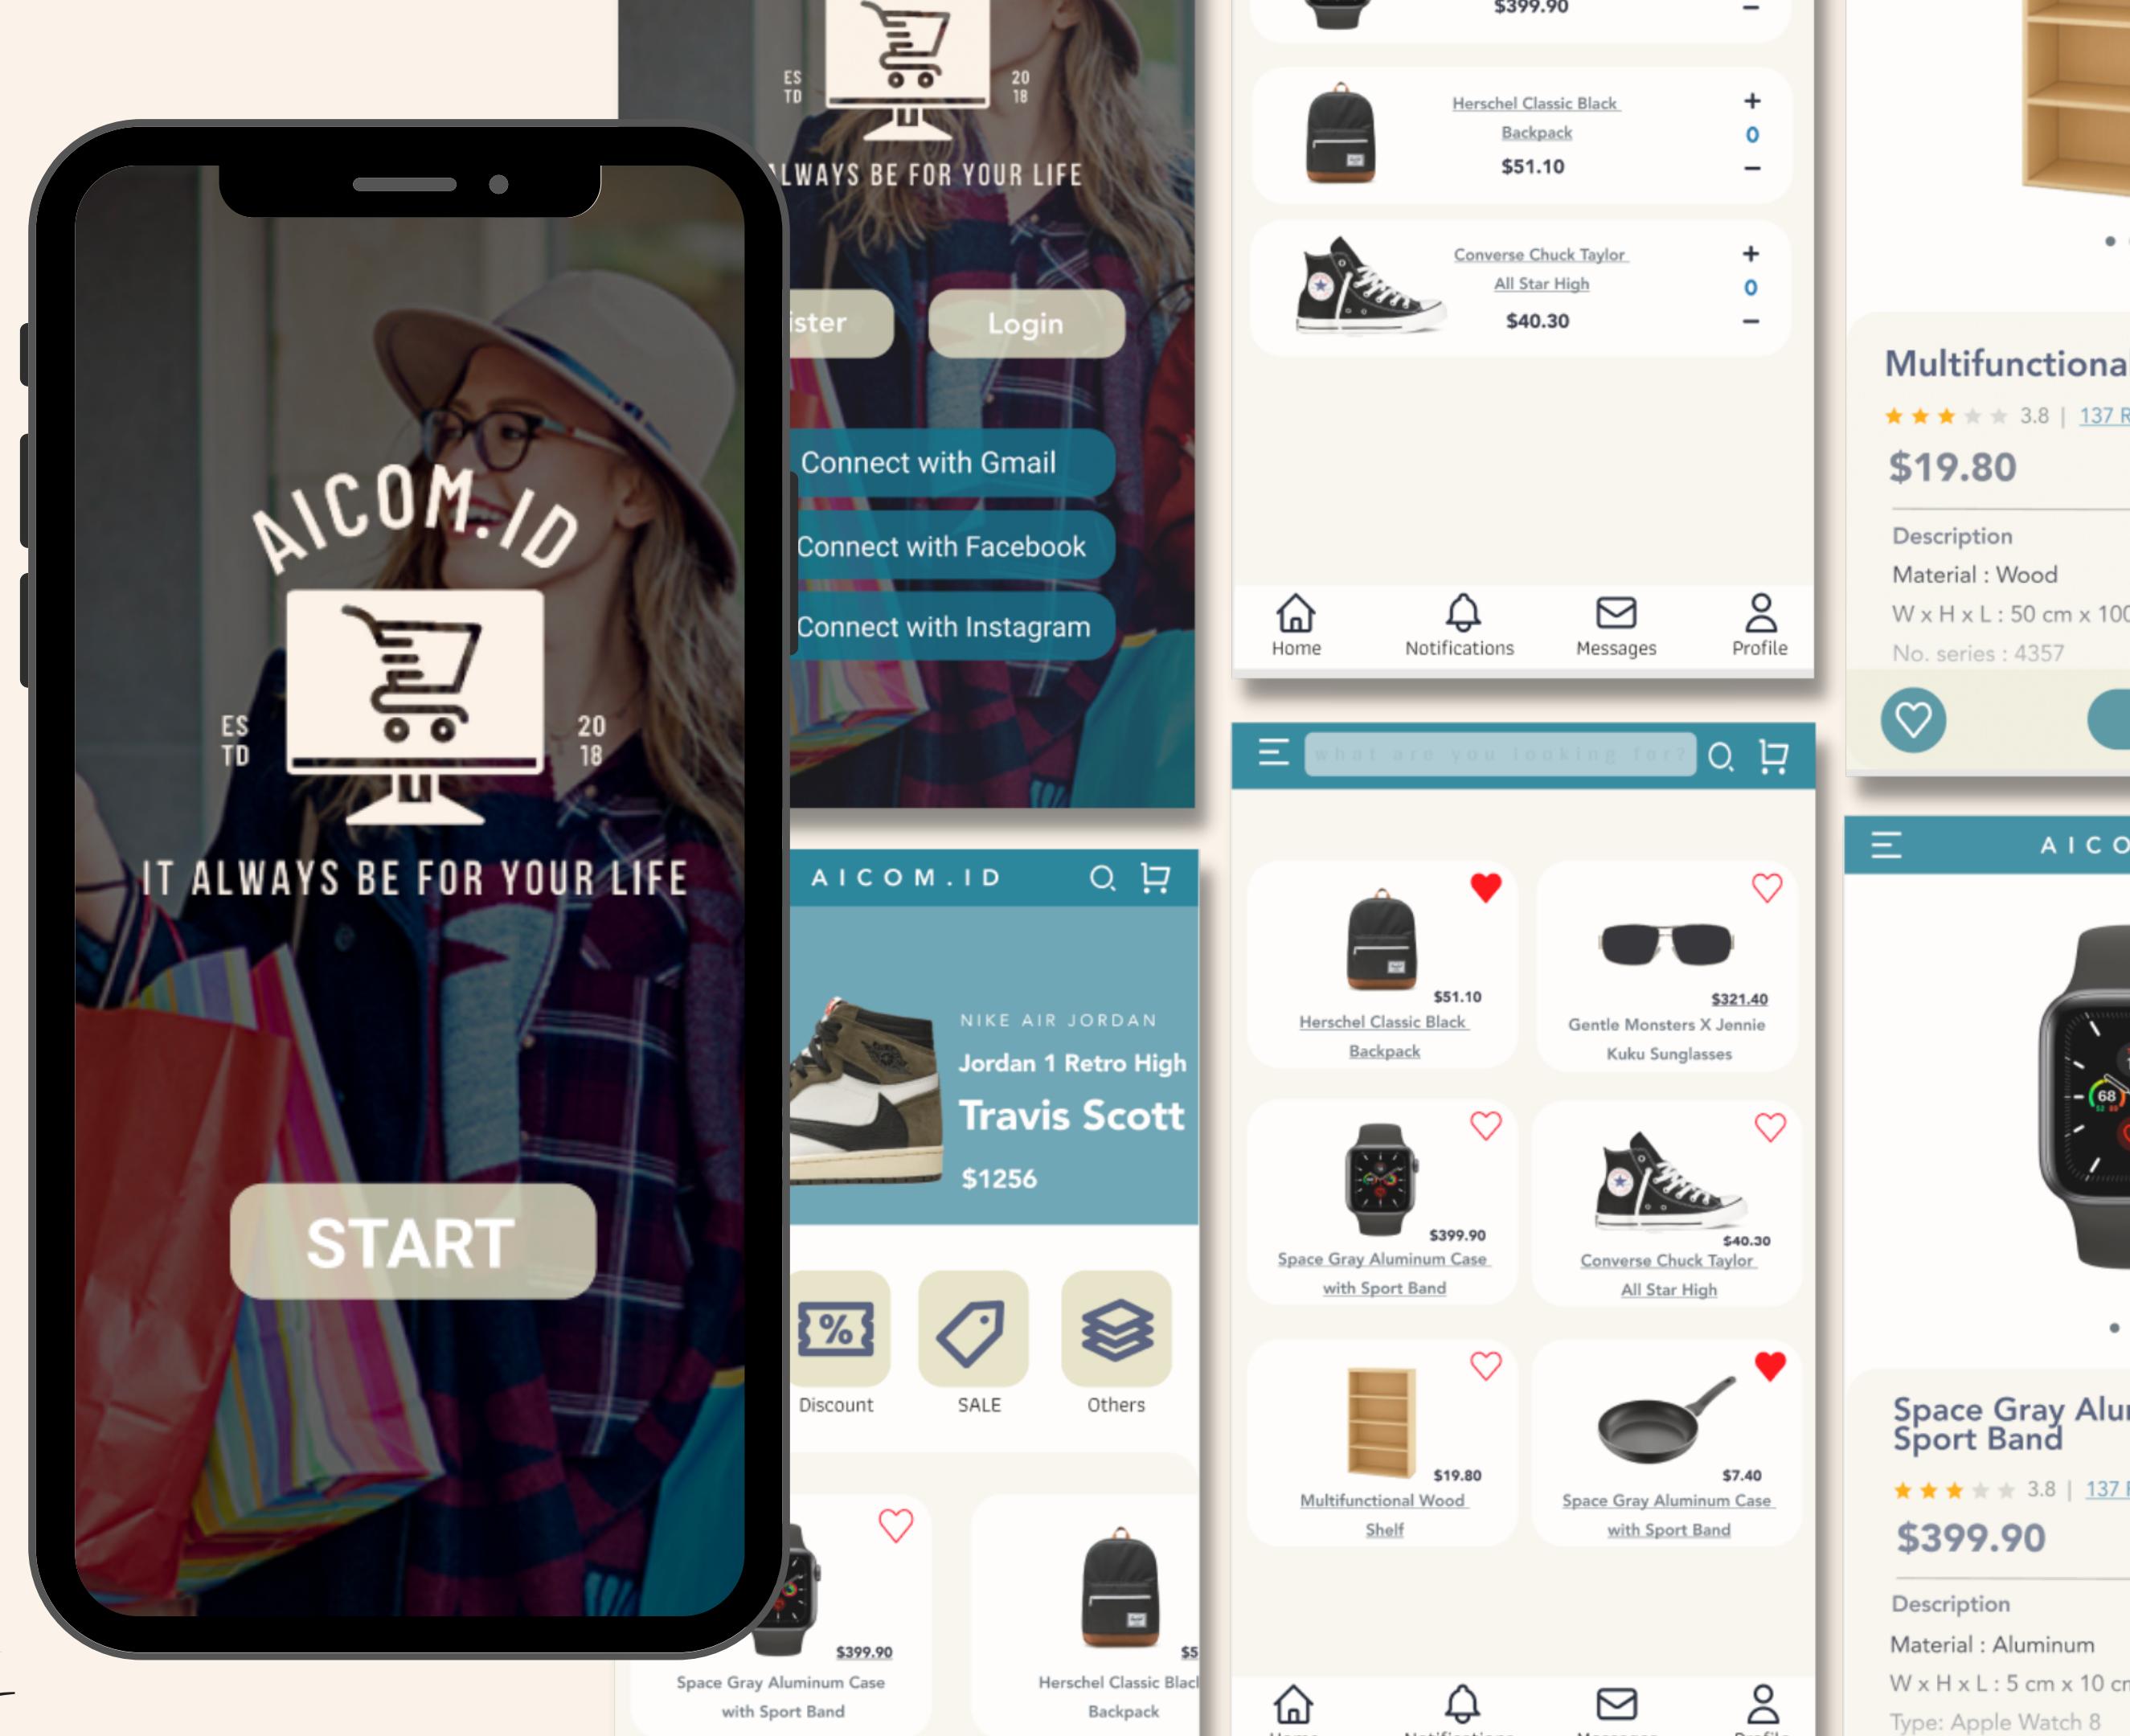

The screenshot shows the "FACILITIES" page. It features sections for "GENERAL MEDICINE" (showing a doctor examining a patient), "LABORATORIUM" (showing a lab technician working), and "PHARMACY" (showing a pharmacist). The top navigation bar includes links for HOME, ABOUT US, FACILITIES, and DOCTORS. A "BOOK APPOINTMENT" button is located on the left side of the main content area.

The screenshot continues from the previous facilities page. It shows the "GENERAL MEDICINE" section with a doctor examining a patient, the "LABORATORIUM" section with a lab technician working, and the "PHARMACY" section with a pharmacist. The top navigation bar remains the same, and the overall design is clean with blue and white colors.
